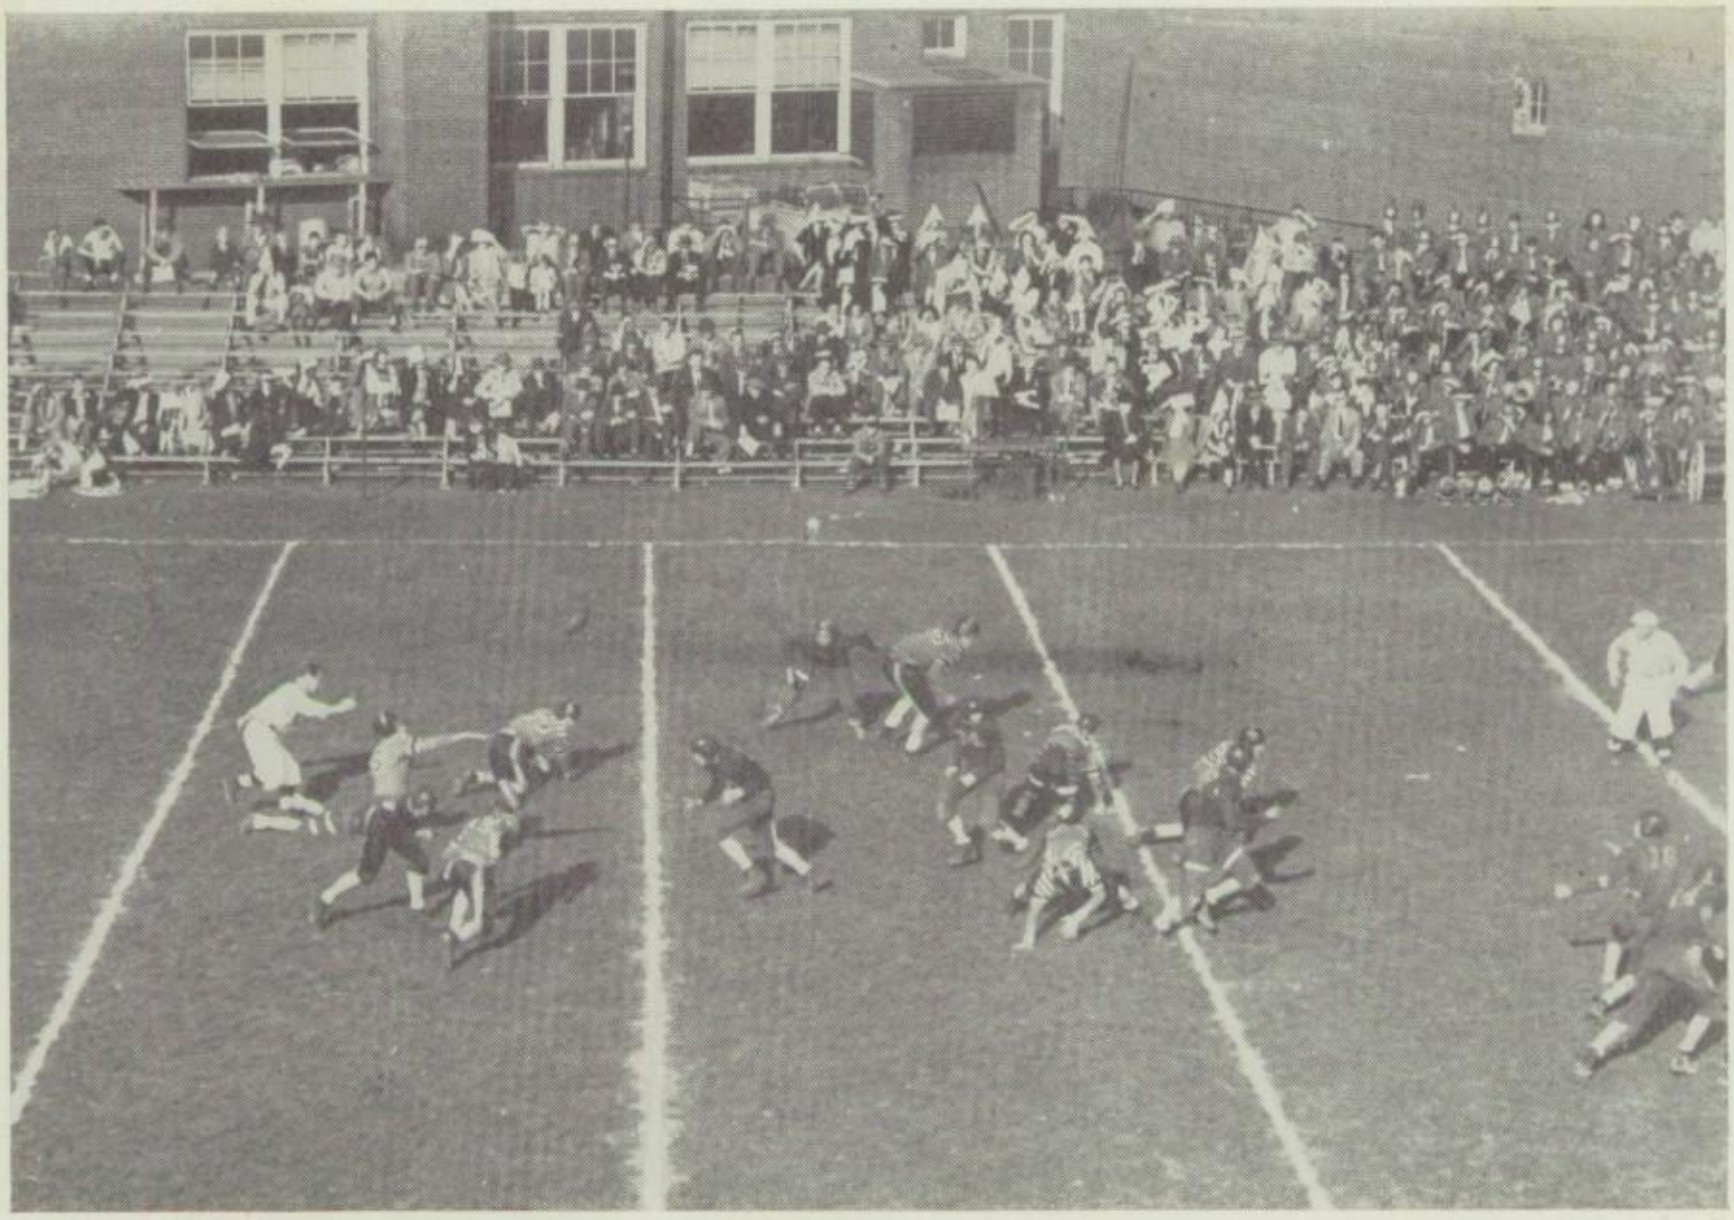
Norahi

1947



Foreword

Here the homecoming game brings to a close the 1946 football season. However, it ends more than a football season, it ends the memorable period when football games were played on the gridiron beside the school. The 1947 football season will be played in the New Memorial Stadium, being erected in honor of the men and women from North Canton, who offered their services and their lives in World War II.

Dedication

WE, the class of 1947, in an attempt to express that deep appreciation which we feel so often but fail to make known, dedicate this book to the two men most responsible for guiding us toward the right road of life.

Secretary and Custodians

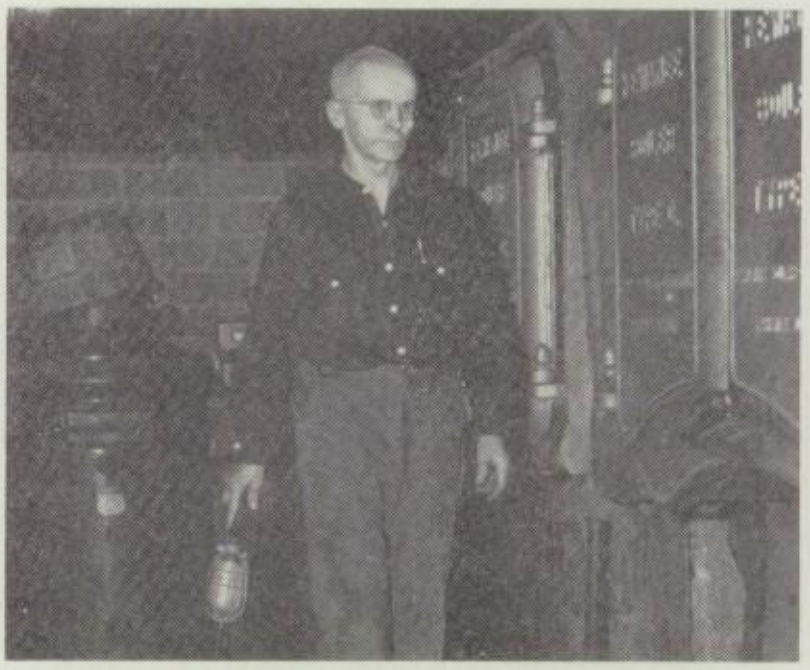
MISS STUDER

Miss Studer, our office secretary, is greatly admired by the students as well as by the faculty, for her willingness to help out when someone needs her services. Her pleasing personality has made her well liked by everyone. Miss Studer spends much time, out of school hours, working in the office, keeping records, taking care of ticket sales and doing all sorts of odd jobs which she has been left to take care of. The Seniors of No Ca Hi wish to thank Miss Studer for all she has done for them, and wish her the best of luck for the future.

★

DAN BOWERS

Dan Bowers, head custodian, is the man who unlocks the doors in the morning, and locks them again at night. However, his duties do not end there, for he must start working before we come to school, and continue long after we have gone home. It is his duty to see that the halls of No Ca Hi are kept clean, the auditorium chairs and canvas taken care of, the furnace fired, and many other things which fall to him as custodian are looked after. Mr. Bowers has done a splendid job in the past and we know that with the help of the students, it will be continued in the future.



★

BILL STULL

Bill Stull, assistant custodian, is the fellow we see pushing the business end of a broom down our corridors. "Bill's" day begins at the crack of dawn, the same as "Dan's," as he is Mr. Bowers' co-worker, and must help him with his duties. Mr. Stull is working his way up to the position of head custodian and it is safe to say that he will do excellent work in this capacity. Best of luck "Bill."

To provide adequate buildings; to secure qualified administrators and teachers; to see that suitable courses of study are provided; to secure the services of custodians and office secretaries; to adopt suitable textbooks; to arrange for the securing of materials; to keep laboratories, shops, home economics, athletic, and all other departments supplied with apparatus and materials; to lay down broad policies for school government and discipline; and to work out a workable plan for the financing of all these activities—such are a few of the multitudinous problems that have to be solved by these men.

★

ACT I—GRADE SCHOOL

Scene I—Our mothers bundled us up and packed us off to school—our first big adventure. This continued for six years.

Scene II—Finally we entered into the maze of the high school building and the seventh and eighth grades, utterly dominated by the upper classmen.

ACT II—HIGH SCHOOL

Scene I—The Sophomores give us, the class of 47, a party to start us off. Many of us for the first time experience the agonies of scholarship. Our class, being one of the largest up to date, occupied three home rooms.

Scene II—We give the succeeding class an initiation party as we welcome them into high school life. A few of our boys got in on varsity sports while many still progressed in scholarship.

Scene III—Juniors at last, and nothing like a play to show off our acting ability. Quite a few of our boys are now included in varsity sports. Debate was organized this year and included a number of our members.

Last, but not least, the biggest shindig of the year — the Junior Senior Prom.

Scene IV—Well, here we are as dignified Seniors (maybe the "dignified" should be left out). On our very successful debate team we placed six members. In orchestra, band, Glee Club and other extra-curricular activities, the Seniors always took an active part. The Juniors give us Seniors our final farewell with a Prom. Then perhaps one of the most important days in our life — walking down the aisle to receive that diploma.

A SENIOR'S FAREWELL

In nineteen hundred and forty three
Some ninety Freshmen then were we,
Looking ahead to the joyous day
When we could put our books away.
Our troubles then would be all through,
And graduation dreams come true.

We've reached that day and now must part
But there is sadness in each heart;
Our school career has reached the end
And we must leave each high school friend,
The friends we've made and held so dear
To the final day of our Senior year.

We've had our worries, we've had our fun,
Enjoyed the good times with everyone;
But now our high school joys are dead,
Dark future years are stretched ahead.
We'll place our goals high and far
Until we reach a distant star.

CLASS HISTORY

The school year 1944-1945 was a big year for No-Ca-Hi. That year, a class that was to become prominent in all major activities, was initiated by the cordial Sophomores. Being a considerate class, we returned their hospitality later in the year.

1946—Our abilities are beginning to be realized. Our boys won praise on the field and on the hardwood. Future champion teams were being trained. Our class was not active in sports alone, however, for more of us participated in Scholarship than any other class. Debate and Dramatic Club positions were held by us Sophs, also. Being half-way to our goal, we treated the inferior Freshman to a party at the grade school.

1947—alas, we are juniors. The big year of high school has arrived. The year of the Prom, and also the year of the term papers and chemistry. Speaking of chemistry, future scientists are being born under the able guidance of Mr. Russell and The Kinetic Molecular Theory. At last our boys' brilliance in athletics is being realized. Although the school will lose the able service of our senior boys, the juniors will be there to more than fill the empty spaces. There are some very active debate members this year from the class of '48.

Our class also sponsored the best play of the year under Mr. Nagel's watchful eye. Our people show much promise for the future in many fields.

1948—very optimistic.

CLASS HISTORY

WE ARE NOW in the second quarter of this game called "Secondary Education." We are no longer the youngest and most inexperienced class in North Canton High School but we feel that we have gained enough understanding so that we can even sometimes lend a helping hand or offer a bit of advice to our subordinates in the Seventh, Eighth, and Ninth Grades. Nor do we look up to the Juniors and Seniors with quite as much awe as we did a year ago.

While we made satisfactory records in all activities in our Freshman year, we feel that our position in scholarship, in sports, in debate, and in all school endeavors is more secure than ever. But we know that we dare not "rest on our oars," It is to be hoped that each member of this class will resolve to make the most of the two remaining years.

1946 Football Players

WENDELL—A great tackle in any school, one of few athletes to play 4 years of varsity ball, his person and name will be missed next year but not forgotten. Made "All Metro" and county for the second time.

WILLAMAN, GENE—A quarterback whose personality will be greatly missed, not only a good play caller, but a great coordinator of spirit among his fellow players. "All Metro" for second year.

SMITH, DEAN—A good heavy center whose cheer and fine attitude will be sorely missed.

BAXTER—A good quarterback replacement and also a fine runner.

CLARKE—A deceptive running back and a fine defensive back.

ROUSH—An end replacement whose good cheer was very wholesome for the team.

KELLER—A heavy tackle who just started to develop into a vicious lineman in the last few games.

HOLDER—A diminutive guard, the spark plug and hardest working member of the team, a symbol for underclassmen to follow.

McCAMANT—A guard who developed a charge comparable to the significance of his name, "Whip!"

SMITH, BIZZ—A hard running back who should see a lot of action in the coming year.

SEEMANN—One of the highest scoring backs in the district, a speed merchant and a vicious tackler, will be greatly welcomed next fall. Made "All Metro" team.

WILLAMAN, BUD—A hard and rough lineman who should come through next year to be one of the school's better tackles.

OWENS--An end with plenty of "go get," and plays a rugged defensive position, made "All Metro" team, and will be a mainstay next year.

HECKAMAN—Another good end, his size and height made him feared by all opponents, made "All Metro," will also be back next fall.

LEAR—A bulwark of a tackle, if ever would learn his own strength would be a help in the fall.

SUMSER—A hard fighting lad whose determination gave him a starting tackle position.

SCHNEIDER—A fine end replacement who will see plenty of action next fall.

KAUFMAN—A 145 lb. fullback, whose first love was linebacking. He amazed by the viciousness and beauty of his tackles.

WARBURTON—A side stepping back who plowed his way for many yards and should do the same next year.

BRAUCHER—A high stepping fullback, who will see plenty of action in the fall.

SCHRECKENGOST—One of the best looking quarterbacks to come up and will play an important role in next year's team.

HUMMEL—Another speed merchant that will help round out the backfield, played an important role as an offensive center this year.

1946-47 Basketball Players

HAROLD MURPHY—"Rue" overcame his handicap in height, and won a starting berth in mid season.

PAUL BAXTER—"Spud" was the team's set-shot artist and could really "dump" 'em in from way out.

DON WENDELL—"Butch" was worth his weight in gold around the backboards, besides being a good shot and a defensive stalwart.

GENE WILLAMAN—"Percy's" excellent emotional control provided the needed stabilizing influence. A consistently good performer throughout the season.

JIM HECKAMAN—"Clem" was the team's high scorer. His one-handed shot seldom missed the mark. Jim will be back with the Vikings next year.

BOB WARBURTON—"Jug" seemed to be everywhere at once. His speed provided a great asset in the Viking fast-break and also on defense. He has one more year.

DON HINERMAN—"Don" combined speed, accuracy and coolness to form an all around player who's hard to stop.

BILL SCHRECKENGOST—"Bill" played most of the season with the reserves, but earned a place on the Viking tournament team. His rebound shots and ball-handling will strengthen the team next year.

BILL OWENS—"Cleo" played with the reserves, but earned his place on the tourney team also and will help Mr. Vanaman in forming the 47-48 Vikings.

BILL SMITH—"Bizz" was with the reserves for the greater part of the season, but broke into the Varsity games frequently. His speed and change of pace, will be looked for again next year.

DICK SEEMAN—"Albert" is one of the fastest boys in Viking togs. A team needs speed, and the coach will need "Al" next year.

DON HUMBERT—"Don" graduated from the Freshman team to the varsity. His one-handed shot from the side is hard to stop, and with two years to go we are sure that he will develop into one of the Viking greats.

Color Bearers and Color Guards

When the band comes swinging down the field, these are the people that head the column. They set the pace, lead the formations, and greatly add to the general appearance and pomp of the band. This fine corps of twirlers always attracts a great deal of attention. We may be sure that they must practice diligently to attain such proficiency.

"The Little Minister"

★

On November 22 and 23, the Senior Class of North Canton High School presented Sir James Barrie's drama, "The Little Minister." Under the direction of William G. Nagel and Florence Stahler, the play was presented three times, once for a combined grade and high school assembly, and twice for the adult residents of North Canton.

Max Humbert had the title role in both play casts, while Maxine Detimore and Jean Allen alternately portrayed the gypsy girl Babbie. Supporting casts were highlighted by the performances of various members of the Senior body.

The play was centered about the tiny Scotch village of Thrums. There, Gavin Dishart, the little minister and his mother arrive so that he may take over his duties in his first parish.

He is immediately met by a mob of weavers in revolt against the autocratic Lord Rintoul. The mob is led by a daring gypsy girl, Babbie, who flaunts the minister's authority and succeeds in angering him immeasurably.

Later hunted by the police, Babbie returns to the minister's house where he hides her. The play reaches its climax in the third act when Babbie is saved from the mob's vengeance by Gavin's quick thinking. Needless to say, the last scene ends happily with the two leading characters finding solace in the presence of each other.

"Almost Summer"

THE JUNIOR CLASS presented "Almost Summer," a comedy in three acts. The cast consisted of Paul Jones, a boy who goes on a cram session; Mrs. Jones, his mother who worries about him; Mr. Jones, his father; Junior, that little kid brother; Mary, his sister; Jack, Mary's boy friend; Jane, Paul's girl friend; Mr. Smudgely, the principal; Anna, the maid; and Lilah Johnson, a girl of somebody's past.

The story follows the attempts of Paul, an eighteen year old boy, to keep his girl friend, and at the same time keep up his studies so he will not have to attend summer school. It seems the harder he struggles the more his troubles bear down on him until a robbery, a budding romance, and a clash with the school principal results in a lasting victory for Paul.

Freshman Sophomore Dramatic Club

"Professor How Could You?"

THE DRAMATIC CLUB of North Canton High School presented their annual production, a comedy entitled, "Professor, How Could You!" by Anne Martens, on March 14 at 8 p. m. in the High School Auditorium.

The play concerns the trials and tribulation of a young, unmarried college professor, Keats Perry, who, in order to gain the position of Dean, must be married within three days. His friend, John Appleby, is commissioned to find him a wife. He, with the help of Vicki Randolph, who is one of Keats' students, and Boggins, the butler, pick three girls whom they consider worthy of the Professor. An embarrassing situation is created when all three of the chosen girls think that they are to elope with Keats. The results and the way Keats gets out of his three engagements afforded an evening of enjoyable entertainment which created many laughs.

The cast included Max Humbert as Keats, the young professor; Shirley Mellen as Vicki Randolph, the college student who has a habit of throwing things at her professor; Gloria Gloor as Grandma Perry; Bill Liebtag as Grandpa Perry, the "innocent" bystander; Marilyn Surbey as Priscilla Morley, John's secretary; Shirley Trott as Tootsie Bean, a plump spinster; Albert Herdlick as Butcher Boy Bean, her big brother; Joanne Brothers as Valerie Whitman, a Southern Belle; and David Shaw as Boggins, the sporting butler.

★

When North Canton's chapter of the National Forensic League was formed during the 1945-46 debating season, its initial enrollment was a meager seven. This year the enrollment has increased to seventeen. Three full debate teams have been formed and entered in the various forensic contests.

Plus this renewed interest in debate, several members of Mr. Nagel's speech classes entered individual events tournaments and ultimately joined the N. F. L. Chapter. Of these new members six, Beulah Meyers, Barbara Achauer, Mildred Walker, Dorris Hanel, Delvin Baker, and Rose Marie Frank, qualified for the state finals, where they won three trophies.

In debate, the "A" team won the state championship for class B schools and was awarded an attractive trophy. During the regular season these four seniors, Maxine Detimore, Paul Sluss, Mark Rubright and Harold Duryee, won three trophies. Two of these trophies represented first places, and one was a runner-up prize. Two members of the "A" team Mark Rubright and Maxine Detimore also won first and second place in the state in extemporaneous speaking.

The annual Student Congress was held April 3, 4, and 5 at Canton Lehman with eight members of North Canton's N. F. L. Chapter present. These included Senators Duryee and Sluss and Representatives Detimore, Rubright, Liebtag, Trott, Weirich, and Walker.

FIRST ROW—Junioree Pope, Lou Ellen Lesh, Mary Ford, Rita Harrison, Jean Kreiner, Rose Chiofolo, Rose Venditti, Peggy Humbert.

FRANK'S
FRESH FRUITS

Auditorium Market

This appeared in Jackie Logan's Latin book:

My mother told me not to smoke,
I don't,
Nor listen to a naughty joke,
I don't,
At handsome men I must not wink,
Nor must I even dare to think,
About intoxicating drink,
I don't,
To flirt is always very wrong,
I don't,
Wild girls chase wine, and men, and song,
I don't,
I kiss no men, not even one,
In fact I don't know how it's done,
You wouldn't think I had much fun,
I don't.

Say!! What about Rosie Frank's operation?

Shh! Don't tell anyone, but it was an inside job.

Ray Sumser: I make it a habit in my life to start each morning with a cold shower as soon as I jump out of bed.
